Snowman at Sunset

A delightful new Christmas musical by Niki Davies

edited by Mark and Helen Johnson

Song 1. LOOK AT THE SNOWFLAKES

1 Look at the snowflakes falling down,
Falling, falling.

Look at the snowflakes falling down,
From heaven to the ground.

2 Look at the snowflakes on the trees,
Soft and white, soft and white.

Look at the snowflakes on the trees,
They keep on falling down.

3 Look at the snowflakes on my nose,
Cold and clean, cold and clean.

Look at the snowflakes on my nose,
They keep on falling down.

4 Look at the snowflakes on my tongue,
Melting, melting.

Look at the snowflakes on my tongue,
They keep on falling down.

Song 2. WE'VE A SNOWMAN TOMAKE

1 Get your gloves and put them on,
Your right hand then your left.
Then we can go and play in the snow,
We've a snowman to make!

2 Get your boots and put them on,
Your right foot then your left.
Then we can go and play in the snow,
We've a snowman to make!

3 Get your coat and put it on,
Your right arm then your left.
Then we can go and play in the snow,
We've a snowman to make!

4 Get your hat and put it on,
It's cosy on your head.
Then we can go and play in the snow,
We've a snowman to make!

5 Get your scarf and put it on,
It's cosy round your neck.
Then we can go and play in the snow,
We've a snowman to make!

Song 3. TEN TUBBY SNOWMEN

1 There were *ten* tubby snowmen standing
in a row,

The sun started shining and what do you
suppose?

Two tubby snowmen said 'Phew, it's hot!'

Then they disappeared completely

'Cause they'd melted on the spot!

2 There were *eight* tubby snowmen...

3 There were *six* tubby snowmen...

4 There were *four* tubby snowmen...

5 There were *two* tubby snowmen...

Song 4. THE ANGRY SONG!

1 This is a very cross song!

This is an angry song!

I saw someone stamp their feet,

* (*Stamp, stamp, stamp*)

Oh dear, what an angry song!

2 This is a very cross song!

This is an angry song!

I saw someone pull a face,

* ('Ner, ner, ner!')

Oh dear, what an angry song!

3 This is a very cross song!

This is an angry song!

I heard someone shouting out,

* ('It's not fair!')

Oh dear, what an angry song!

4 This is a very cross song!

This is an angry song!

I heard someone cry and cry,

* ('Boo, hoo, hoo!')

Oh dear, what an angry song!

Song 5. MISTER SUN

1 You're peeping at me from under the clouds,

Under the clouds, under the clouds.

You're peeping at me from under the clouds,

Hello, Mister Sun!

2 You're shining on me from up in the sky,

Up in the sky, up in the sky.

You're shining on me from up in the sky,

Hello, Mister Sun!

3 You're making the snow look shiny and new,

Shiny and new, shiny and new.

You're making the snow look shiny and new,

Hello, Mister Sun!

4 You're making my face feel rosy and warm,

Rosy and warm, rosy and warm.

You're making my face feel rosy

SONG 6. THAT'S A JOB FOR US!

1 We can make the snowman's *body*,
That's a job for us!

Fingers tingling in the snow,
There's a job to do, so off we go!

2 We can make the snowman's *head*...

3 We can find the snowman's *eyes*...

4 We can find the snowman's *nose*...

5 We can find the snowman's *mouth*...

SONG 7. A SNOWMAN AT SUNSET

(First time solo) A snowman at sunset
And tired, sleepy children,
A snowman at sunset,
But now it's time for bed.

Maybe tomorrow, he will still be here,
One snowman at sunset this year.

All repeat the song

One snowman at sunset this year.
